SUBJECT: Modification of SAC ITEK Viewers

TO: CIA [REDACTED]

Reference is made to telephone conversation between [REDACTED] and [REDACTED] AFCIN-1B2, regarding requested modification of the ITEK Mark I viewers for SAC. SAC has advised this office that they feel capable of performing required modification on subject viewers themselves. Accordingly, it is requested that action taken by ITEK on this subject be terminated immediately. It is realized that money already spent by ITEK in support of this modification will have to be paid. However, if any parts relative to this modification have been fabricated and will have to be paid for, they should be forwarded to Hq SAC for use as they see fit.
